

CREW ORLANDO PRIVACY STATEMENT

Your privacy is important to us. To better protect your privacy, we provide this notice explaining our information practices and the choices you can make about the way your information is collected and used. The following discloses our practices regarding the dissemination of information gathered from, and posted on, this site; the use of individual and company information included in our printed membership directory; and the use and dissemination of CREW Orlando event photos of our members and their guests. This privacy statement may be changed at any time; if any changes are made, they will be posted to this page.

Collection of Information About Our Visitors

For each visitor to our website, our web server collects general information that does not identify a specific visitor or a visitor's email address. Only the host name or IP address (a unique number that is assigned to your computer every time you connect to the Internet) from which the site was accessed are identified. We use this information to calculate the number of visitors to the different sections of our site, and to help protect the information in the members-only area of our website.

When you register for a CREW Orlando event or renew your membership, the type of personally identifiable information that CREW Orlando collects may include name, address, email address, telephone number, fax number, and payment information. CREW may also collect information about your preferences for events, activities, and option at a CREW Orlando event for which you register.

Authorized members of CREW Network staff, CREW Orlando staff, CREW Orlando officers, or CREW Orlando members may correct, update, or supplement personal and professional information through CREWbiz™, the online member directory.

Use of the Information

CREW may use the information you provide about yourself to fulfill your requests for CREW products, programs, and services, and to respond to your inquiries.

Information you provide through your membership application or renewal and when updating your personal record in CREWbiz™ is used to ensure that CREW may deliver newsletters, notices of events, and other member entitlements to you in a timely manner. Information in CREWbiz™ is made available to current CREW members seeking to develop or further business or contacts with other members. This information is not made publically available, but may be made available to contractors or consultants doing work for CREW.

Photographs and video taken at CREW events may be utilized in CREW promotional materials.

In an effort to market CREW Orlando and the talents of our members, the CREW Orlando Membership Directory may be distributed to local media outlets and non-member firms who purchase ad space within the Directory. Further distribution of the Directory is at the discretion of the CREW Orlando Board of Directors.

Agents or contractors of CREW who have access to personally identifiable information are required to protect this information in a manner that is consistent with this Privacy Statement by, for example, not using the information for any purpose other than to carry out the services they are performing for CREW.

Member passwords, assigned by CREW or selected by the member, are not made available to any person or entity other than the member.

CREW may disclose any user's personally identifiable information in response to a law enforcement agency's request or legal process, for example, in response to a court order or a subpoena. CREW will take appropriate measures to safeguard against unauthorized disclosures of information, but cannot assure that personally identifiable information that is collected will never be disclosed in a manner that is inconsistent with this Privacy Statement. CREW will not use or transfer personally identifiable information provided to us in ways unrelated to the ones described above.

CREW will not sell any information collected to third parties.

Security of Credit Card Information

CREW Network, CREW Network Foundation, and CREW Orlando are fully committed to data security. CREW has put in place physical, electronic and managerial procedures to safeguard and secure the information you provide to us online. CREW Orlando's secure server software (SSL) encrypts all personal information, including credit card number/expiration date, name and address. CREW uses this information to process your registration, renewal, or donation only. CREW does not use this data for any other purpose.

Opting Out of Communications

CREW sends newsletters and other information and offers to its membership via email. At any time you may reply to the email and ask to unsubscribe. If you continue to receive emails from CREW after you have unsubscribed, please contact us. If you would prefer not to include your personal and company information in the CREW Orlando Membership Directory because of the distribution policy, please contact us as well.

External Links

CREW Orlando is not responsible for the privacy practices or content of any external websites that are used as links.

If you have any questions or issues regarding this privacy policy or feel that this site is not following the stated information policy, you may contact Chris Blair, Chapter Services Coordinator, at 785-832-1808.
