

# HOW TO HIT THE RESET BUTTON

WHEN EMPLOYEES RETURN TO WORK

# THE WORKPLACE NEW NORMAL

**THE COVID PANDEMIC HAS  
CHANGED THE WAY WE WORK.**

NOW HOW DO WE RESET?

There are many design & product considerations that can be used when workers return to the office.

HOWEVER, THE ONE OVERRIDING ISSUE IS SOCIAL DISTANCING.

Let our CDS team explore the countless possibilities  
to keep your employees safe and healthy.

" COMING TOGETHER IS A START.  
*keeping together is progress.*  
WORKING TOGETHER IS SUCCESS. "

Consider screen partitions or desk re-configurations

2

Make a plan for all common areas and traffic patterns

3

Check-out seating options to maintain enough personal space

4

Learn cleanability methods to sanitize surface materials
